

UPDATED! Summer Camps at the CDM!

Spring is finally on its way, but the Children's Discovery Museum has summer on its mind... summer camps that is. And one could argue they've gone summer camp-crazy! From preschool programs for first-time campers to robots and Camp Invention, there is surely a program or two to keep your child a happy camper all summer long. Don't delay your camp registration as camps tend to fill quickly!

General Camp Information:

- Each camp offered by the CDM includes various hands-on activities that are tailored for specific ages and according to the camp's unique theme.
- Please note the Children's Discovery Museum does not open until 9 a.m. Therefore, camp participants and their parents/guardians who are participating in camps that have a start time of 9 a.m. are not allowed to check-in for camp until 9 a.m. – No Exceptions.
- Children must be picked up promptly at the camp ending time.
- All day campers must bring a sack lunch or pre-order an Avanti's lunch from the museum for \$5.00. The Avanti's lunch includes a 1/3 gondola, bag of baked chips, applesauce, and a 100 % juice box.
- Please note that *College For Youth*, *Projectile Motion Camp* and *Robots 2 Camp* have specific registration requirements that differ from other programs.

Camp Invention: Discover

Come join us for our 4th year of Camp Invention. **Camp Invention: Discover** develops creative thinking, teamwork, and problem-solving skills through hands-on exploration and fun.

- In **Comic Book Science: Fly Jack and Jill**, kids discover the science behind comic book superheroes and use their new knowledge to create brand new comic books and superheroes with science-based super powers!
- In **Viking Treasure Trek; The Quest Begins**, kids will follow the footsteps of ancient Viking travelers to uncover a hidden treasure.
- In **Land Sled X-treme**, kids will explore engineering principles by building functional land sleds and then test their sleds in an obstacle course!
- And it's not Camp Invention without **I Can Invent: Fantasy Inventions and Complicated Machines**. Younger kids will create fantasy inventions while older kids will have a choice between creating a fantasy invention or participating in a Rube Goldberg team challenge.

Cost includes camp, snacks and materials. Payment must accompany registration. 24-hour cancellation required for credit. MIN/MAX: 30/80
